that a few ladies from church went to, and are hoping to get some bookings so we can perform the show elsewhere, which would be really exciting!

**Please read this update from Bethany Kyle.**

"I'm now in my second year at NGM and I am loving it! NGM is a Christian organisation which specialises in performing arts etc. Alongside this they have a discipleship course which happens one day a week where we have teaching and in the evening we have a meeting where we all come together and worship. Last year I had the privilege of being part of a musical called Luv Esther being a dancer, it was an incredible experience and I learnt so much through it. This year I am training with the street dance crew; they are called Release, and I am also having singing lessons. I have been involved with a show called 'Broadway Live'. We performed this show at the spiritual health weekends

I was able to go on mission last year to Mozambique which was an amazing experience. We went out into some of the tribes there and taught them about Jesus. We got to pray with the villagers there, and one of the ladies we prayed for had her eyesight healed which was incredible! We visited hospitals and the prison, and we were able to pray with the people there. This was quite a scary experience but it was so worth it as we got the chance to share the love of Jesus with each of them.

I am currently fundraising in hope to go to Johannesburg on mission this year to go and help out at a place called Sparrow Village which has been set up for children, and

has families who have been, or are affected, or infected, by HIV/AIDS. So I will be going there to do as much as I can to help there.

It's such an amazing place to learn about God and how you can use your art form for Him".

*Bethany Kyle*

Do please continue to pray for Bethany. We give thanks for the money raised so far for her trip to South Africa. *Ian Biscoe*

Going to NGM has really changed me as a person and learning about who I am in God and how much of a loving and caring God he is. I have grown so much in confidence since being at NGM, in myself and being around others.

### Worship Central

The 5th session is now on March 23<sup>rd</sup> to avoid clashing with Love Bicester meeting. It is all about **effective teamwork**, so it would be good if as many as possible of the worship team could be there! Since a lot of the principles apply to **all** teams please come if you are involved in any sort of team.

The cafe will be open from 6.30 and the session will kick off at 7pm.
